SEWING

Limited Edition

Ignite Your Passion for Fashion

Built-in stitches, buttonhole styles and fonts

- 80 built-in sewing stitches, including 10 one-step auto-size buttonhole styles and one sewing lettering font.

Solidly constructed chassis

- Helps reduce vibration and noise while sewing and adds to portability of machine.

Built-in needle threading system

- At the press of a lever, the thread is pushed through the eye of the needle.

Easy stitch selection via 10-digit pad and large back-lit LCD display

- Select desired stitch pattern with a simple touch on the digital pad and view the stitch length and width information in the large back-lit LCD display.

Lightweight portable machine with included hard cover

- Transport and protect your sewing machine with ease.

Ability to combine stitches for greater creativity

- Combine stitches into favorite patterns, repeat patterns and create mirror images of stitches.

3 memory pockets

- Save your favorite stitch in one of the memory pockets for future use.

Super wide stitch selection

- More variety with each stitch, select up to 7mm in stitch width.

Included wide table for larger projects and quilting

Overview

The Innov-is 85e showcases the latest sewing and quilting technology in a portable size and at a very reasonable price. This lightweight machine is packed full of features, which is great for beginner

and experienced seamstresses alike. Make a fashion statement, and let the enhanced Innov-is 85e be your voice! With its diverse selection of decorative stitches, buttonhole styles, alphanumeric characters

and custom stitch capability, you're not just sewing...you're creating "personal couture" with enough style and panache to satisfy the most demanding critic: you.
